

Settrington Parish Council

Agenda for Extra-Ordinary Meeting to be held in the Village Hall on 17 April 2018 at 7.00 p.m.

1. Apologies for Absence

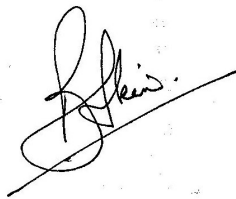

2. Meeting Objective

The objective of the Meeting is to draft and pass a Resolution which reflects the 'anti-fracking' outcome of the village survey conducted by the Parish Council in 2016, by stating that the Parish Council opposes all fracking-related activities which have the potential to affect adversely the village and Parish of Settrington, its inhabitants and property.

If passed, this Resolution would be communicated to District and County Councils and our local MP, raise local awareness, and better enable the Parish Council to respond robustly to future planning applications.

Members of the public may attend this meeting (and speak with the permission of the Council)
